CONSTITUTION

OF THE

Church Society of the Diocese of Toronto,

INCORPORATED BY THE STATUTE OF CANADA, 7 VICTORIA, CAP. 68,
FOR PROMOTING THE FOLLOWING OBJECTS :

- FIRST**—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Toronto, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.
- SECONDLY**—For the encouragement of Education, and for the Support of Day-schools and Sunday-schools in the said Diocese, in conformity with the principles of the said Church.
- THIRDLY**—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.
- FOURTHLY**—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.
- FIFTHLY**—For obtaining and granting aid towards the erection, endowment, and maintenance of Churches, according to the establishment of the said Church, in the said Diocese ; the erection and maintenance of Parsonage-houses ; the setting apart of Burial-grounds and Church-yards ; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowment.

I.

That before the Society shall enter upon any business at any of its meetings, the following Prayers shall be said :—

“ PREVENT us, O Lord, in all our doings, with Thy most gracious favor, and further us with Thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. Amen.

CONSTITUTION.

"O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Queen VICTORIA, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

"O MERCIFUL God, who hast made all men, and hatest nothing that thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live: have mercy upon all Jews, Turks, infidels and heretics, and also upon all those heathen nations upon which the light of Thy glorious Gospel hast not yet shone; especially the Indians of this continent. Bless the means used for their civilization and conversion, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

"OUR FATHER, which art in heaven, Hallowed be thy Name. Thy kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for thine is the kingdom, the power and the glory, for ever and ever. *Amen.*"

AND WHEN BUSINESS IS ENDED.

"ALMIGHTY God, Father of all mercies, we thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving-kindness, to us and to all men: more particularly for the providential support by which this Society hath been enabled to spread abroad the knowledge of Thy sacred truth. But above all, for Thine inestimable love in the redemption of the world by Thy blessed Son; for the means of grace, and for the hope of glory, which Thou hast given us, in the same our Lord and Saviour Jesus Christ: to whom with Thee and the Holy Ghost be all honour and glory, world without end. *Amen.*

"The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. *Amen.*"

In order the more fully to carry out the objects of the Society, each parish, in the person of its Clergyman and Churchwardens, shall be a Sub-Association, in correspondence, through its Chairman (the Clergyman), with the District Branch Association, and may be denominated *The Parochial Committee of the Church Society*. The Committee shall meet so often, and at such periods, as they shall themselves decide to be most convenient, inviting the coöperation of all the Parishioners in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour by every means in their power to augment the resources of the Society. All moneys raised to be transmitted to the Treasurer of the District Association.

The Treasurer of each District Association shall transmit annually the full sum of £1 5s. for each duly recognized Clergyman, and also for each incorporated member within his district, and in case of life membership the full sum of £12 10s., together with one-fourth of all the moneys paid into his hands, to the Treasurer of the Society at Toronto, to be at the disposal of the Central Board, and the remaining three-fourths of such collections shall, when required, be expended within the Parish or District in which they have been made, for such objects only as are specified in the Constitution of the Society—the allotment to be made at the Quarterly Meetings of the District Branch Association. All moneys not required to be expended for local purposes, and remaining unappropriated at the General Annual Meeting of the District Associations, shall be forthwith transmitted to the Treasurer of the Society at Toronto.

The District Associations, through their respective Secretaries, shall communicate to the Secretary of the Parent Society at Toronto a minute statement of all receipts and expenditures within the sphere of their operations, embodied in the form of a Report, one in each year, so soon as convenient after the General Annual Meeting of such District Branch Associations.

Provided, nevertheless, that it shall be at all times competent for the President to recommend to the Standing Committee any case which in his Lordship's opinion may require special consideration, and should the Standing Committee report favourably thereon, that then the Society may grant such proportion of the annuity as to said Society may seem fit; and that it be the duty of the Secretary, after each Annual Meeting of the Society, to notify to each Clergyman whether he have or have not complied with the requirements which would entitle his Widow and Orphans to a Pension.

TWENTY-FOURTH ANNUAL REPORT
 OF
The Incorporated Church Society
 OF THE
DIOCESE OF TORONTO,

PRESENTED AT THE ANNUAL MEETING AT TORONTO, HELD ON
WEDNESDAY, AUGUST 8, 1866.

In submitting the twenty-fourth annual report of the Society for the information of its members and those who contribute towards its support, it seems unnecessary to do more than review the principal objects which have engaged its attention during the past year, and the means taken for their furtherance and attainment. In doing so substantial reasons will be discerned for thankfulness to Almighty God, who has been pleased to prosper the Society in its labors of love.

The abstract of Receipts and Expenditure presents the following results :—

RECEIPTS.

Mission Fund and Guarantees	\$14,366 18
General Purpose Fund	5,292 52
Widows and Orphans' Fund	3,724 80
Students' Fund	1,119 01
	\$24,502 51

EXPENDITURE.

Mission Fund	\$9,859 45
General Purpose Fund	3,851 26
Widows and Orphans' Fund	3,105 49
Students' Fund	520 45
	\$17,336 65

MISSION FUND.

On a comparison of the Summary of Accounts annexed to this Report with that of 1865, it will be found that while the balance to the credit of this fund on the 1st of May, 1865, was only \$1257.04, the balance to its credit on the 1st of May, 1866, is \$4506.73, shewing the large increase of \$3249.69. The amount of collections and donations last year was \$1825.48—this year they reach the sum of \$5367.17. The amount derived from Parochial Associations last year was \$5333.91—this year the returns shew the sum of \$6304.97. There appears also an increase of \$285 in the amount received from guarantees.

The expenditure last year, in payment of salaries of missionaries, was \$9141.17—this year it has been \$9739.41.

The reports from the several Districts shew there is still great destitution in many parts of the Diocese; and earnest appeals are continually being made to the Mission Board for aid. In some instances these have been met by the Board; but too often they have been unable to furnish the required assistance.

Our Indian Missions also are increasing their demands upon us; and it is highly expedient that they should be placed on a more satisfactory footing. Attention is invited to the Report of the Committee appointed to watch over the interests of these Missions, and the measures proposed for their extension.

It will be remembered that, last year, the Rev. J. Carry undertook the charge of the mission at the Sault Ste Marie, in connection with the Bruce Mines. He was assisted at the latter place by the Rev. J. Chance, of the Garden River Mission. The results of Mr. Carry's sojourn at the Sault were highly satisfactory; and had the Board been able to guarantee him an adequate stipend, his permanent settlement in that mission would have been secured. A difficulty has arisen in securing the services of a suitable missionary for this important charge; but it is hoped that one will soon be found, and that the good foundation already laid will not be abandoned.

The large and neglected population at the Bruce Mines have long required the services of a settled minister of the Church; but the Board, though anxious to provide one, have hitherto been unable to do so. The recent anonymous donation of \$100 towards that object, given through that zealous friend of the mission cause, Colonel Lowry, whose removal from the Diocese is sincerely regretted, has revived the effort to provide a stipend. The miners have pledged themselves to contribute at least \$200 per annum and a house; and the Mission Board have made a grant of a

similar amount. It is hoped the proprietors of the mines, to whom application has been made, will supplement the required amount, and that a missionary will immediately be stationed there.

The Committee invite attention to the accompanying Reports from the District Branches, from which it will be seen, that notwithstanding the difficulties we have to labor under, the mission work is steadily advancing. It is cheering to receive similar assurances from the sister Societies throughout British North America; nor is this the case only on this continent, but in every clime where our beloved Church has been planted, the Great Lord of the harvest is sending forth laborers in increased numbers, and blessing them in their work.

WIDOWS AND ORPHANS' FUND.

This Fund, connected with one of the most interesting and important objects of the Church Society, has hitherto proved equal to the demands upon it. The annual income is represented by the rent of lands and interest on money invested, which, last year, amounted to \$1483.27, and by collections and subscriptions, which were \$1093.76, making together \$2577.03. The outlay of last year was for pensions to eleven widows and four orphans, \$2220; taxes and insurance, registry of deeds, and discount, \$147.92: total, \$2367.92, or \$209 less than the receipts.

It must be noticed, however, that the collections and subscriptions of last year were less than those of the previous by \$115: the favourable balance in the whole income being produced by a considerable increase in the rent and interest.

It is to be hoped that the collections for the current year will shew an increase rather than a diminution; for, from the very nature of the object of this fund, the demands must inevitably increase, and in a rapid ratio. Those demands also are of a character such as no Church can allow to remain unanswered; and the Committee cannot but believe, that if the sacred object of this fund were duly recommended to our congregations, and no opportunity for enforcing its claims were omitted by the Clergy, no such thing as a falling off in the collections for it could possibly occur again.

DIVINITY STUDENTS' FUND.

In consideration of the great importance of this Fund, it has long been felt that the greatest care should be exercised in its appropriation; and, with a view to furthering this object, by-law

xix. of the Society was amended at the May meeting. It is now provided that a committee, consisting of an equal number of members from each district, shall be appointed from year to year at the annual meeting in June, who shall forthwith enquire into the state of the fund, and declare what number of exhibitions will be open to applicants in that year. And further to secure as great efficiency as possible in those who intend entering holy orders, it is further provided that this committee shall, at the annual meeting receive and examine the testimonials of applicants, and (with due regard to the recommendation of district boards) select such as exhibitors as they shall consider the most deserving. It was thought that while all local interests and claims would, from the composition of the committee, be duly represented and carefully guarded, still a committee chosen from the Diocese at large would be freer than a district board to exercise its judgment, and to decide who were really the most fitting to receive the Society's help.

The receipts for the past year have been \$607.13.

From this source four exhibitions have been provided in Trinity College:—

- One by the Niagara District.
- One by the Gore and Wellington do.
- One by the Home do.
- One by the Newcastle do.

Assistance to the same amount as that which is received by exhibitors was also given to two divinity students, not holding exhibitions, during the Easter term, 1865, and to one during the Michaelmas term, 1865, and the Lent term, 1866, from that portion of the fund which has not been appropriated by the several districts.

There have been ten young gentlemen attending the divinity class during the past year, two of whom have already been ordained by the Lord Bishop of Ontario for the work of the ministry in that diocese.

GENERAL PURPOSE FUND.

The income of this fund has this year been increased to some extent by the sale of some of its lands. The balance to its credit, on the 1st of May, was \$1441.26, while the Land and Investment Committee report the purchase of two debentures of \$500 each, at a cost of \$895, yielding 7 per cent. per annum.

LANDS AND INVESTMENTS.

The Land and Investment Committee report:—

That they have secured the payment to the Society of \$770 21, on account of the Widows and Orphans' Fund, which they have invested in two debentures of the County of Frontenac, for \$400 each, at a cost of \$737 57.

They have in like manner secured the payment to the Society of \$952.32, on account of the General Purpose Fund, which they have invested in two debentures of the United Counties of Lennox and Addington, for \$500 each, at a cost of \$895.

The Land Book of the Society has been completed by Mr. Unwin, at a very trifling expense; and by constant attention, and the efficient aid of their agent, the committee have been enabled to place many of the old accounts of the Society, for lands sold, in a much more satisfactory state, so that large sums of money, in addition to what has already been paid, will be realized by the Society.

During the past year arrangements for the sale of several lots on very advantageous terms have been made, which will soon be completed.

LOSSES.

During the bye-gone year the Society has had to mourn the loss of several valued friends and benefactors. Among them the Committee feel called on specially to notice the following:—

The Rev. Abraham Fuller Atkinson, D.C.L., for many years Rector of St. Catharines, whose loss is deeply and deservedly regretted. During the lengthened period of forty years—thirty of which were passed in this Diocese—his rare endowments were unceasingly exercised with signal success in the promotion of every good work. Many a living memorial remains to attest his faithfulness and zeal; while in private life he ever exhibited, in more than ordinary measure, those Christian virtues and graces that invite confidence and perpetuate esteem. The Church mourns in him one who was deeply attached to her doctrines and devoted to her interests; while this Society has equally to lament an advocate whose eloquence, from its very formation, was often employed in pleading its cause and in promoting its prosperity. Your Committee feel that it would be a grave omission were they to fail in assisting to record the sense entertained by the Canadian Church of that genuine kindness and Christian spirit which ever characterised Dr. Atkinson's intercourse with his fellow labourers; or to forget that ready sympathy and Christian counsel which none ever enjoyed with-

out benefit—the influence of which is still treasured up in many a sorrowing heart. May his spirit still survive in those who cherish his memory; and to that Saviour whom he so dearly loved, and with whom he now rests, be ascribed all the praise of his bright example.

In Mrs. Mary Williams, of Tecumseth, the Society has lost one of its warmest and most liberal supporters. This venerable lady evinced her zeal and love for Christ and his Church, not merely by sustaining the ministry in her own parish, but, by her benefactions, enabled the Society to support a missionary in a very destitute locality; and, in terminating her connection with things temporal, she did not fail to remember her obligations to the Church of Christ, by making provision for its endowment. Since her death her executors have paid over to the Society \$2000 from her estate.

The late Mr. Enoch Turner, of this city, has also set a good example in marking his esteem for his venerable friend and pastor, the Bishop of Toronto, by a bequest of \$8000 to Trinity College, and, in his zeal for the Church, by leaving \$2000 to Trinity Church, and \$1000 to each of the Churches of St. Peter and St. Paul, Toronto.

SPECIAL MISSIONARY MEETING.

With a view to incite a livelier interest in the objects of the Church Society, and more particularly in Missionary efforts throughout the Diocese, the Clergy of the several Churches in Toronto proposed to hold a mass meeting of the members, instead of the annual meetings required by the constitution to be held in their respective parishes. The proposition having been approved of at a general meeting of the Society, and sanctioned by the Bishop, his lordship deemed it a fitting opportunity to invite the Right Reverend Dr. Coxe, the newly appointed and highly esteemed Bishop of New York, to favor us with his presence and co-operation. Bishop Coxe having cordially accepted the invitation, the meeting was held on Monday, the 16th of April last, in the Music Hall, which, though densely crowded, could not accommodate the numbers who pressed for admittance, and many were deprived of the pleasure of being present.

The Committee regret that the result of this appeal has not been more satisfactory. A good beginning, however, has been made, as will be seen by the acknowledgments after the books were closed; and by keeping the wants of the Church before our citizens by similar annual meetings, succeeded by an active canvass of the city, the Churchmen of Toronto, it is hoped, will set an example that will be felt throughout the Diocese.

We trust the impression made by this meeting, and particularly by the visit of the estimable Prelate and of the Rev. Drs. Shelton and Van Ransellaer who accompanied him, will not soon be effaced, but will tend to cement more firmly the happy relations which subsist between our respective branches of the one Catholic Apostolic Church.

GORE AND WELLINGTON DISTRICT.

The Managing Committee of the Gore and Wellington Branch of the Church Society are called upon to report to the Church at large the result of their labors during the past year. This task which is only not agreeable when there has been a falling off in the receipts, they are happy to say on the present occasion affords them sincere pleasure and satisfaction, inasmuch as they are enabled to communicate the information that the collections this year on behalf of the Society exceed those of the former year by a sum not less than \$300. A fact so gratifying is enhanced by a knowledge of the difficulties under which the Society has labored, more particularly during the last eighteen months, owing to the misapprehension of its friends and the misrepresentations of its enemies. These last have been of a very wanton and aggravated nature, and have been urged with a persistency worthy of a better cause.

It is much to be regretted that any of the members of the Society should have so far allowed these aspersions to influence them as to withhold their contributions from missionary objects, because mismanagement was charged against a Committee of the Society entrusted with an entirely different fund. That their numbers were not large in the Gore and Wellington Branch, is happily proved by the increase in the total amount of subscriptions just received.

During the last year, another mission has been opened, consisting of the townships of Binbrook and Saltfleet on the mountain. This was, until recently, part of the mission of the Rev. J. L. Alexander, and that part which was best able to contribute to the support of the Church; but it was most disinterestedly resigned by him on account of his inability to do justice to the whole field of labor. The Rev. Mr. Westney was appointed in October last, and under his exertions the mission is exhibiting signs of greater life and promise.

The mission of Rockwood, in the township of Eramosa, which had been for some time vacant, has also been supplied by the appointment of a gentleman in every way well-adapted for the work, who has been laboring most assiduously and with great

success. The only drawback is, that the field of his labor is far beyond his physical strength, or indeed the strength of any one man, however strong his frame or unextinguishable his zeal. The Rev. Johnston Vicars, the missionary alluded to, has furnished the Mission Board with so many interesting details of his work, and such a description of the vast extent of his mission as will, your Committee trust, call forth a warm and generous response, and justify the Society in dividing his mission into two, and procuring from his lordship the Bishop of the Diocese the appointment of another laborer.

There are at present no less than six missionaries whose stipends are paid in whole or in part by this branch of the Church Society. There are thirty-seven parochial associations organized, and in each of them the machinery of the Church Society is being worked: in every one of them missionary meetings have been held, during the past winter: deputations of the clergy and laity, appointed by the Bishop attended, and, by their zealous and able addresses, awakened an interest in the cause, which has resulted in a considerable accession to its funds.

NIAGARA DISTRICT.

At the annual meeting of the Niagara District Branch of the Church Society, held in St. Catharines on the 4th instant, the following interesting Report upon the year's operations was submitted and adopted, viz.:—

The Managing Committee of the Niagara District Branch of the Church Society, in presenting this their twenty-fourth annual report, would express their hearty thanks to that God who causes that all things should work together for good to them that love him, for the measure of success with which he has been pleased to vouchsafe the Society during the past year. While we feel that something has been done, and that mainly through their instrumentality, the ministrations of our Church have been continued in those portions of the mission field, of which mention had been made in their reports for the past few years, viz.:—The mission of Welland and Fonthill, the mission of Port Colborne and Marshville, and the mission of Jarvis, Sandusk, &c.; yet but a very small part of the ground is as yet occupied, which has for many years required our attention, and for lack of funds the Committee have been unable to attend to. Last year, at the recommendation of the Society, the several District Branches were assessed according to their supposed capabilities to meet the requirements of the Mission Board, to pay our three missionaries their stipulated allowance, and have something over for the extension of missions. The funds fell short of the sum actually required for our own District, thus compelling the Board to draw from other sources for our benefit. Welland has been receiving \$300; Port Colborne, not more than \$200; Jarvis, \$200; making

a total of \$700, to meet which our available funds did not amount to \$600. This depressed state of the funds has occupied the close attention of your Committee during the past year, and at length they felt compelled, at a meeting held at Welland, on November 14th, to pass the following resolution:—

“That this District Committee feel compelled, by the recent fluctuations in the amount of the annual subscriptions to the mission fund of the Society, to announce to the missions and missionaries receiving grants from the Mission Board, that the continuance of those grants from and after October, 1866, must be regarded as contingent on the sufficiency of the funds placed at their disposal, &c.”

As was the case last year, this district has been again assessed for mission purposes \$1533 for this year. This sum was apportioned by your Committee over the various parishes and missions, and the returns will shew how this urgent call has been met:—

	Assessed.	Reported.
Mission of Welland and Fonthill	\$120 00	\$187 00
Mission of Walpole, Sandusky, &c.	32 00	87 76
Mission of Port Colborne, &c.	64 00	0 00

Parish of Stamford	96 00	63 56
Parish of Dunnville.....	96 00	55 00
Mission of York, &c.	50 00	50 00

The total as yet reported, \$1143.12, compares very favorably with last year's amount, \$848.67, and proves that the cause of the various objects of the Church Society has been effectually pleaded. On the whole, your Committee feel that hearty acknowledgments are due to the Giver of all good, that he has put it into the hearts of his people to come to the aid of the Society; yet the aggregate will be found far beneath what is actually required for the present mission work of the Church. And this, notwithstanding the issue of that anxiously earnest circular of our good Bishop, of December 26, in which his lordship shews that the actual needs of the Society or Mission Board were \$5836.57, and which he concludes with this touching appeal:—“If we should fail in obtaining a very considerable sum beyond the ordinary contributions which are annually given, the Board must be driven to the painful alternative of diminish-

ing, and, perhaps in some cases, altogether withdrawing the mite of assistance they have thus far rendered to our struggling and hard-worked missionaries. I am persuaded that the churchwardens of the Diocese of Toronto will not permit such a result to be inflicted."

Your missionary at Welland, the Rev. J. Creighton, has forwarded the following report:—

"REV. AND DEAR SIR,—In sending you a short account of my labors for the past year, I have much pleasure in saying that the work of our Church in this place is still progressing. There is not much change apparently from year to year; but I trust the good effects of the regular services of the Church are neither few nor transient. From the amount of subscriptions which I send you, you will remark that it is much in advance of any previous year. This is, doubtless, owing in some measure to the improved state of the country since last year, but I believe also to an increased desire in the congregations to assist a Society which is still doing so much for this mission.

I am, dear Sir, yours faithfully,

J. CREIGHTON.

Secretary, N. D. B. C. S.

Your missionary, the Rev. J. Morton, of Walpole mission, has forwarded a report, of which the following is an abstract:—

"The amount collected at meeting, \$21.15; the amount collected by Parochial Association, \$70.09½. In remitting through

Post Office, \$1.46 was paid for paper and postage, leaving \$89.76. Our quota was \$32, which is exceeded considerably, and this too, at a time when a parsonage house was subscribed for, to cost \$1050, and a lot given for its site. Not so bad for a first attempt, being in addition to the quarterly and thanksgiving collections which amounted to \$48.71."

Your missionary at Port Colborne and Marshville, the Rev. W. E. Cooper, M.A., has forwarded the following report:—

"REV. AND DEAR SIR,—I beg to present the following report from this mission for the past year. Services have been well attended, on the whole, in the village of Port Colborne, not only on Sundays, but also on the other days on which they were held. During the seasons of Advent and Lent, services are held on the evenings of Wednesday and Friday. The Sunday School averages an attendance of about 60. I am sorry to say that but two male teachers can be induced to attend, and this with no very great regularity. Baptisms for the past year have been—children, 28; adults, 1; burials, 4; marriages, 1. The church at Port Colborne is nearly roofed in: upwards of \$1600 have already been spent upon it. I am glad to be able to say it is paid for so far. We shall need, in addition to the funds in hand (about \$230), a further amount of about \$900 to finish the building; as the intention at present is to finish it. When it is considered that everything in the matter has been done since Easter last, it will be seen that too great praise cannot be given to those who worked for it—most of all to W. Pring, Esq., Churchwarden, to whose zealous exertions it has been almost entirely owing that the church has been so quickly and so successfully built.

"The church at Marshville has been seated, and the chancel completely furnished. There is a debt due to Mr. Schram, the Churchwarden, of about \$300. This is the only debt now remaining, and the people are in hopes of having it soon cleared off. Three services in the month are held.

"All which is respectfully submitted.

"W. E. COOPER."

Your Committee feel that much good will result from publishing the following report from the parish of Fort Erie:—

"REV. AND DEAR SIR,—Herewith I have the pleasure of enclosing you cash, \$40, and post office order for \$95.46 (\$135.46), the very satisfactory result of our parochial collections this year. You will remember our apportionment was \$96; so that, if we add the \$9 collected at the Clerical Association meeting and already sent to Toronto, we have raised very near *half as much again* as was required of us.

"From the above you will see, that with the amount I now send you, this parish has raised for the Society no less a sum than \$194.34 since the closing of the books last year. I cannot conclude without stating that my Fort Erie congregation have contributed to my stipend, during the same period, the sum of \$321.45, and Christmas Day offertory, \$42.50 ; total, \$365.95.

"Yours, &c.

"HENRY GREENHAM,

"Rector."

The Reports as yet sent in include the clergyman's \$5 in every case.

The gross and slanderous attack made upon this Society, during the past year, has, no doubt, caused a want of confidence in the minds of many who would otherwise have gladly contributed to its funds. It is very sad to think, that because accusations have been preferred (many of which have already been proved false, and there is every reason to believe the rest will be,)

against a Committee of the Society which has *special* control of certain funds of the Church—*not* properly Church Society funds—the Society's missionary operations should be endangered, and even the present missionaries (eking out a bare subsistence already,) should be deprived of the miserable pittance now awarded to them. Your Committee would desire to impress upon the members of the Church in this District, that he who has thus constituted himself, unasked, the champion of the clergy, could not prefer one single charge against the management of the Mission Fund of the Society.

* * * * *

Your Committee would therefore conclude with an earnest prayer that God would, of His great mercy in Christ Jesus, overrule all for the good of His Church, and cause that the time may not be far distant when means will flow in unto the offerings of God in such abundance, that it may be said, as of old of the Israelites in the wilderness, "and they were restrained from giving."

All which is respectfully submitted.

C. L. INGLES,
Secretary.

Chairman.

NEWCASTLE DISTRICT.

It must be a matter of congratulation to the well wishers of the Society to know that the subscriptions and donations in this District are much larger than they were last year.

The District was assessed at \$1600, which sum was distributed in an equitable manner among the several parochial committees, as detailed in the statement appended. Eleven parishes have exceeded the amount at which they were assessed: one, Colborne and Grafton, assessed at \$125, deserves honorable mention as having raised \$291. Five parishes have fallen short: one or two being largely in arrears. The aggregate sum contributed amounts to \$1588, being nearly \$700 more than the returns shew for 1865.

In the hope that, under the good providence of God, we may be enabled in years to come, not only more adequately to discharge our duty in cheerfully acceding to the demands made upon us by the authority of Synod, but of our own accord even going beyond what is expected of us, this brief record of the

operations of the Society within the bounds of the Newcastle District is submitted to the consideration of the members of the Church.

The Committee beg to submit the following statement of Receipts from the several Parishes and Missions within this Deanery ; from which it will appear, that notwithstanding several have failed to contribute, there is a very gratifying increase over the returns of last year. It is but due to the City of Toronto to state that this is mainly owing to the successful meeting held in April last. It is hoped the future canvassing of the city will be productive of more satisfactory results :—

INDIAN MISSIONS.

The Committee appointed to watch over the interests of the Indian Missions in this Diocese, beg to report, that the success in this department of the Church's work is as great as might reasonably be expected from the limited agencies employed. The miserable and neglected state of these poor people calls loudly on our branch of the Church for increased exertions on their behalf, before they fall into other hands, or pass beyond our reach for ever. It is painful to witness the steady and rapid decline of these once numerous tribes; and if any effort is to be made to recover them from total extinction, it ought to be made with promptitude and vigour.

There are at present two Indian Missions within the limits of this Diocese, viz.: one at the Garden River, near the Saulte Ste. Marie, and the other on the Manitoulin Island, Lake Huron.

That at the Garden River is under the charge of the Rev. James Chance, whose salary is provided by the New England Company, and Mrs. Chance, who assists her husband, as school mistress, is paid by the Colonial and Continental Church and School Society.

The total number of Indians attached to this mission is 120, of whom 42 are communicants. The number of children attending the school is 29.

Mr. and Mrs. Chance, having both acquired the Indian language, labour among their people with much zeal and success.

The settlement of a missionary at the Saulte Ste. Marie, last year, relieved Mr. Chance of his self-imposed duties at that place, and he now devotes himself to his Indian charge, with the exception of an occasional visit to the Bruce Mines.

The peace of this mission was lately disturbed by an attempt of the Jesuits to force a road through the mission premises. This the missionary resisted, and the Committee, on enquiry, felt it their duty to sustain him. The expenses and mischievous results of litigation, however, were happily avoided, the aggressors having been induced to accept the terms offered them previous to the assault.

It is just ground of complaint that the Jesuit missionaries should have been allowed to intrude on land assigned by the Indians to our Church as the site for our mission.

To obviate future trouble, the Committee have requested the Indian Department to lay out the roads now agreed upon, and to make a formal assignment to our mission of the land appropriated to it.

The other mission is that on the Manitoulin Island. The Rev. J. Sims, the missionary, resides at Manitowaning, and is in part supported your Society.

Mr. John Burkitt, schoolmaster and catechist, is stationed at Little Current, where there is a settlement of Indians, and is paid by the Mission Board.

The number of Indians on the island attached to the Church is 184, of these 34 are communicants. They are scattered in small settlements, at Manitowaning, Little Current, Shéguaendah, and at La Cloche on the north shore. The attendance at the schools is, at Manitowaning 25, at Little Current 35; total, 60. The progress of the children is encouraging.

Besides the Indians attached to the Church, there are numbers who are still pagans; but many of them attend divine service, and are favourably disposed to Christianity.

Mr. Sims, who, like his fellow labourer at Garden River, seems well fitted for the trying work of a missionary among the Indians, has made great progress in the language, and will soon be able to preach in it. Through the instructions received from Dr. O'Meara, he was enabled to read the liturgy and scriptures in Indian from first taking charge of the mission.

The scattered state of these Indians in this mission entails much expense and loss of time and labour on the missionary. It has there-

fore been the aim of the Committee to select a spot remote from the Jesuit establishment and from the corrupting influence of white settlers, and where the soil is good and fishing abundant, with a view to gather the Indians into one settlement, and thereby economise means and labour.

The Committee have devoted much attention to this object. Last autumn a deputation visited the seat of government, to request that a township should be withheld from sale, and set apart for this purpose. This favour was granted for one year, and the Ven. the Arch-deacon of Toronto and Dr. O'Meara visited the Island, and met the Indians in council to arrange for their location. They had, however, made up their minds to settle at Sheguendah, which, besides being a new place, would require a large expenditure to establish the mission, and was objectionable on account of its proximity to Little Current, a stopping place for the steamers, and a resort for traders.

But during the past winter, the Committee are happy to report, this decision was changed, and the superintendent and missionary prevailed on some of the Indians to remain at their old mission station, where they had a church, a mission house and other advantages.

As measures were about to be taken for the sale of all the lands on the island, the Committee recently deputed two of their number to wait on His Excellency the Governor General to explain our plans for the benefit of the Indians, and to obtain a pledge that the township of Assekenach, within which Manitowaning is situated, should be further reserved for the use of the Indians; as it was our aim to persuade all the Indians (who though of different tribes happily speak the same language,) to remove to this reserve, and where we hoped to establish an industrial farm, provide schools and workshops, and where the Indians could be instructed in various useful arts, in addition to the branches of industry they now follow; and thus, under judicious management, it is hoped the settlement will ere long become prosperous and self-sustaining.

The deputation are happy to report that they were most kindly received by His Excellency and the heads of the Crown Land and Indian Departments, who heartily approved of the plans, and assured the deputation of every assistance in their power in carrying them out.

It would be unreasonable to expect the Mission Board, with its present liabilities and limited means, to undertake this work; the Committee therefore suggest, that they be authorized to make a special appeal on behalf of Indian Missions throughout the Diocese, and that arrangements be made in the course of the ensuing autumn to hold meetings for the purpose of exciting an interest in this benevolent enterprise; that subscriptions be solicited, and collections made after sermons or addresses in the several parishes or missions.

The Committee are of opinion, that it would conduce much to the success of this appeal if arrangements could be made for the missionaries themselves and some intelligent Indians to assist in this work.

The funds so collected would be placed under the charge of the treasurers of the Church Society, while arrangements should be made for receiving contributions in building materials, provisions, clothing, agricultural implements, grain, stock, &c., and every means be used to place the mission on such a basis as may be likely to insure success.

If it is made apparent that we *are in earnest in our endeavours* to benefit these poor neglected people, whose homes and hunting grounds we are occupying and growing rich upon, aid will not be wanting. Throughout the Diocese there are numbers who feel deeply for them, and would gladly co-operate in extending to them the social religious blessing they themselves enjoy, if assured there was in operation an agency calculated to effect this desirable object.

Let it not be thought the prosecution of this object would interfere with our missionary efforts for our destitute white brethren. Experience has proved the reverse to be the fact; and in evidence, the Committee would quote a passage from a recent letter from the Right Rev. Dr. Machray, Bishop of Rupert's Land, to the Metropolitan, which they hope will receive due attention from the Committee on Indian Missions, appointed at the late Provincial Synod.

Alluding to missionary work among the heathen Indians, which this devoted Bishop has so deeply at heart, his lordship observes, "I believe sermons and meetings for the heathen would vastly aid your home works. Though only starting our endowment fund for this Diocese with an annual collection, I start at once *with it* an annual *missionary* collection for the heathen. I feel how the love that has been brought out in England for poor heathen souls has been the means of giving new life to our Church in England. I believe that if your Synod were to enact that there should be an annual sermon for missions, none of your parishes would be any the poorer for their home necessities, and you might expect a double blessing from God. It is Christ's message to the Church, to be ever going out into the world—ever rather seeking the lost one, *though only one*, than sitting at ease by the gathered-in ones.

"In taking up missions, there would be doubtless a feeling to send the money to the S. P. G. Missions. But as a practical matter, I believe that your Church would feel a double interest in the mission work if she had missions and agents of her own, and surely if that be so, the Indians of these wilds deserve a first thought—missionary work amongst them is hard, very hard. They are so few—hard to get at; they are so ignorant, and withal so dependent; but the love of Christ constrains, and the spirit of Christ is with us to the end.

"I have thought a good deal upon this subject, and I am sure nothing so fits us for getting over our difficulties and wants as giving a helping hand to others."

SALTERN GIVINS,
Chairman.
